On motion of Mr. Burk, the President of this Board was authorized to name delegates to such convention whenever called, and on mo-tion of Mr. Sparhawk the Secretary was directed to inform the Board above named that this Board approve of the plan of holding such a convention, and recommend that it be held in some

A communication from the Commissioner of Raifroads of Ohio, George B, Wright, was referred to the Committee on Internal Trans-Committee of the Month—William C. Kent, Thomas G. Ashmead, Charles Wheeler. The Board then adjourned to the third Monday in September, unless sooner called together by

the President in special meeting. THE NATIONAL GRAND DIVISION OF SONS OF TEMPERANCE-THEIR RECEPTION LAST EVENING .-The reception of the National Division Sons of Temperance of North America took place last evening, at the Academy of Music. The members of the National Division and of the Grand Division of Pennsylvama occupied the stage, and were in full regalia. On account of the storm, few assembled to witness the exercises, though some three thousand five hundred tickets were sold. After prayer by the Grand Chaplain, Rev. Dr. Brooks, the Grand Patriarch

of Pennsylvania, Rev. Wesley C. Best, made the reception speech, as follows:—

In the name of the Grand Division of this Commonwealth, it is with great pleasure I extend to the Grand and National Divisions of North America a hearty and fraternal welcome. We welcome you as the leaders in the greatest moral reform of the age. We welcome you as the champions of the right; we welcome you as the benefactors of your race. We welcome you as the benefactors of your race. We welcome you from the North, East, West, and the South, and, not last nor least, from her Majesty's dominions. We see the two emblems above us, united emblems of the two greatest nations on the earth, ready to war upon a common foe; and

earth, ready to war upon a common foe; and the annals of the past age will never be com-plete until your deeds shall be chronicled on the pages of history.

This great work is the great demand of the

age. Our temperance can spy is becoming span-gled with the stars of hope. Maine has led the van in this strife, and now the Keystone State is ripe for a Maine law. The bold champions of King Alcohol have challenged us at the baliotbox; threatened to rule us; shall we refuse to meet the combat? In the name of the Brotherhood, members of the National Division, and in behalf of the Grand Division of Pennsylvania, I accept the challenge. (Applause.) Let us move forward, and with God's blessing, victory will forward, and with God's blessing, victory will crown our efforts. (Applause.) In the old Bay State, in spite of ex-Governors and others, the great Liquor law will be sustained. The speaker closed with again welcoming the delegate of the Grand National Division of North

America. Mr. J. N. Sterns, Most Worthy Grand Patriarch of the National Division of the United States, responded on behalf of the same, followed by Brevet Major-General E. M. Gregory, of Maryland: Messrs. O. D. Wetmore, Province of New Brunswick; Edward Carswell, of Canada West; and S. F. Carey, Esq., of Ohio. There were some thirty-four or thirty-five

divisions of the Order represented, and all are on their way to attend the Annual Convention, at Wilmington, Del., commencing to-day. Yesterday was spent in visiting Independence Hall, and other places of interest in the city.

INTERNATIONAL CHRISTIAN CONVENTION .- The delegates to the International Christian Convention, from Baltimore, Washington, Petersburg, and other Southern cities, were welcomed by a Committee of the Young Men's Christian Association at the depot, West Phitadelphia, on their arrival there on Wednesday. An address of welcome was made by Peter B. Simons, President of the Association. After partaking of a repast, Mr. George H. Stuart made an address, in which he bid the delegates welcome to the Northern cities. He was responded to by Mr. Holiday, of Washington, D. C., after which the guests united with the Committee of Wel-come in singing the hymn. "The Beautiful burg, and other Southern cities, were welcomed come in singing the hymn. 'The Beautiful River." Major Gregory, of Petersburg, then made some remarks, when the party took the cars and proceeded on their journey.

THE PARK COMMISSION .- The Executive Committee of the Park Commission have been directed to prepare an ordinance, to be submitted to Councils, to take possession of all that piece of land on the east bank of the river Schuylkill, between the Spring Garden Water Works and the Columbia Bridge, and between the Reading Railroad and the river Schuylkill, to be set apart for public use as part of Fairmount Park, as directed by the sixth section of the act of Assembly creating the Park Commission.

ON A STRIKE .- The carpet manufacturers on Saturday night resolved to reduce the wages of the weavers at the rate of three cents per yard on all grades. In consequence of this the wea-vers held a meeting on Monday night, at which some two hundred men, representing twenty shops, were present, who resolved to abstain from work until the former prices are given. The present rates are 16 cents per yard for plain and 17 cents for shaded carpets.

THE GRAND TEMPLE of H. and T. of the State of Pennsylvania commenced its annual session yesterday morning, at No. 503 Chesnut street, the G. W. T., G. E. Harron, presiding. About eighty delegates from various parts of the State were present. The session yesterday was occupied principally in the admission of new members and receiving the reports of committees,

CHANGES IN THE SURVACE OF THE MOON .-- M Flammarion has sent to the French Academy of Sciences a paper on the crater of Linneus in the moon. This crater appears lately to have undergone great changes. Instead of the ap-pearance which the lunar craters usually present, there is nothing left but a sort of whitish cloud attached to the top. M. Flammarion is of opinion that the crater has disappeared by sinking, or that the neighboring plain has risen to its level. M. Chacornac, in a paper on the same subject, appears to entertain a similar opinion.

ACADEMY OF MUSIC. - To-morrow (Phursday) evening the celebration of the nineteenth anniversary of the Subday Schools connected with the Tabernacie Baptist Church will occur. The great feature of the occasion will be the deliyery of addresses by Rev. M. G. Clarke, Drs. W. T. Brantley and D. C. Eddy, formerly pastors of the Charch.
